We have audited the Financial Statements of Banca de Economii SA ("the Bank") for the year ended 31 December 2009 from which the summarised financial statements were derived, in accordance with National Standards on Auditing. In our report dated 31 March 2010 we expressed an unqualified opinion on the financial statements from which the summarised financial statements were derived.

For a better understanding of the Bank's financial position and the results of operations for the period and of the scope of our audit, the summarised financial statements should be read in conjunction with the financial statements from which the financial statements were derived and our audit report thereon.
